ABOUT ME

I am a motivated and detail-oriented college student pursuing a degree in Architecture, with a strong interest in design, problem-solving, and creative thinking. I bring solid organizational skills, the ability to work both independently and collaboratively, and a commitment to producing high-quality work. I am eager to continue developing my technical and professional skills while contributing positively to a dynamic team environment.

EXPERIENCE

Pharmacy's, Samborondon, Ecuador — *Cashier*

April 2022 - April 2023

I worked here until I moved to the U.S.A.

EDUCATION

Dumont High School, New Jersey— *High School Diploma*

Sep. 2023 - June 2025

I studied most of my time in Ecuador, where I graduated from elementary and middle school.

PROJECTS

First Semester — Portfolio

My first project experiencing Rhino.
